In addition, it provides international services for 46,000 affiliated members of chambers of commerce and nearly 5 million private SMEs at all levels, it also established membership cooperation with chambers of commerce in over 100 countries.

Our Founding Members are:

These companies are the largest and high profile private enterprises in China, across various sectors.

CICCPs INTRODUCTION

With growing vitality of Chinese private economy across the globe, CICCPs already built a comprehensive and effective member service system.

CICCPS INTRODUCTION

Relying on the Legal Right Safeguarding Platform, CICCPS organized legal service network that covers major countries and regions of five continents, and established the “Business Conciliation Center” to guarantee the “going global” of member enterprises.

CICCPS INTRODUCTION

The Financial Support and Asset Management Platform of CICCPS, which was established with the assistance of the Central Bank, has been authorized the lines of credit by several financial institutions, and the total amount has reached 330 billion yuan, which guaranteed the financing and loan needs of member enterprises.

CICCPS INTRODUCTION

Relying on the technology transfer platform, and with the support of national affair consultants of developed countries such as Germany, America, Japan and Israel, and relevant institutions, we established the Leipzig International Cooperation Office. We also introduced several key technologies for member enterprises, and quickened the transformation and upgrading of private enterprises.

CICCPS INTRODUCTION

Relying on the Governmental Contact Platform, we established close ties with the NDRC, the Ministry of Foreign Affairs, the Ministry of Commerce, the Central Bank, the Asian Infrastructure Investment Bank, and the China Development Bank; CICCPS also established relations with UN-related organizations, and investment promotion organizations of more than one hundred countries.

CICCPS INTRODUCTION

To further explore the development model of “going global” of Chinese private enterprises and chambers of commerce, CICCPS has established two frameworks such as “Chamber of Commerce Cooperation Alliance of Countries along the Belt and Road” and “Local Work Committee of Domestic Cities along the Belt and Road”, and one mechanism of “Chamber of Commerce Leadership Summit of Countries along the Belt and Road”.

CICCPS INTRODUCTION

Recently, CICCPS has held various activities, including “Annual Meeting for Chinese Outbound Investment Companies”, “Cross-straits Young Entrepreneurs Roundtable Conference”, “International Economic Cooperation Lecture”, “China International Production Capacity Cooperation Forum”, “China Brand Summit Forum”, and "Chinese and Foreign Ambassadors Forum", “National Association Cooperation Development Forum”, and these activities have been widely acknowledged and well received among the public.

Looking ahead, CICCPS has proposed the vision to build globalized private enterprises with convening power, the influential international cooperation of private economy, the chamber of commerce brand with credibility, and the capacity building of chamber of commerce with vitality, and the “ten firsts”. CICCPS will continue to follow the Belt and Road Initiative, and to help private enterprises to move forward with globalization. In addition, it will continuously adapt to, seize and lead the “new normal” of economic development, strive to realize the ambitious dream.
